

Rahul Verma
rahul.verma99@yahoo.com | 9812345678

EDUCATION

B.Tech Civil Engineering – State University
Expected: 2026

SKILLS

AutoCAD, MATLAB, Microsoft Office, Basic Python, C programming

PROJECTS

Bridge Design Simulation

- Used MATLAB to simulate stress on bridge structures
- Presented findings in college technical fest

Water Treatment Plant Design

- Final year project on optimizing water treatment using statistical methods

EXPERIENCE

Site Intern – Construction Co. (May 2024 – July 2024)

- Assisted senior engineers with site measurements
- Prepared progress reports

CERTIFICATIONS

- AutoCAD 2023 Certified User
- MATLAB Onramp (free course)

ADDITIONAL

- Good communication skills
- Willing to learn new technologies
- Participated in college hackathon (no AI project, built a website)
